THE PATH NEWS

Mission Statement

Our mission is to provide a Christian living environment that allows true rehabilitation. To allow long term stays for life changing, biblical teachings to take effect. To encourage the work ethic, for those without a home in Citrus County.

Our community needs our church support

Our mission, as well as our community, **needs you!** Our church support is needed now more than ever. Our county has many single mothers (the shelters #1 client) and low income families that are working or need to work but don't have or can't afford child care, and many don't have transportation or can't afford the repair cost for the existing car. State assistance offers help but normally has a long waiting list for voucher discounts of child care. In the meantime the problem still exists—no childcare. There's little or no help for repairs/transportation in our area. What better way to show the love of Jesus than to help fix a family/person's car or even donate a car. The church (it's people) can offer services babysitting day and night (nights are critical, there are no services available), adopt a grandma, mother's share care, car repair, donate a car or share-a-ride. This may be the only time a child may hear/learn of Jesus. During the time of pick up or departure for children you may also plant a seed with a parent. What better way to help, than to share the love of Jesus thru much needed services. This could lead to a ministry in itself. Many churches help with feeding, a few help with electric/rental/gas. We truly **thank you** and our **prayer** is that more churches will join in and help with other needs that are not being met. The need is for all churches and its members to get involved in each town to help with the many different needs of our community. Remember God tells us in His Word, with Faith we can move mountains!! Provide a service that fixes the problem rather than just putting a band-aid over it. Please think what it was like when you were down, wouldn't you have liked to have had a good Samaritan (Luke 10:25-37), or maybe you did. Should you not repeat the blessing for another. **WHAT WOULD JESUS DO!!** If one person can make a difference, just think what a church of united people can do. We ask that you pray on these needs, and may you allow God to work miracles through you and around you. If you have any questions or ideas on how you or your church can help, please call 746-5993.

Can You Help?

We need room dividers We were blessed recently in adding a room to allow more space for our women/children, but we have two rooms that need dividers for privacy. There are times our children are home sick and need a little more privacy. than usual or we may need to build a petition between the room and a walk-thru area.

BANQUET TIME!!

Don't forget, Dr. Gills will be our main speaker for our first banquet. We are thrilled with the fact that Seven Rivers Presbyterian is hosting our event and that so many people are pulling together to make this event a success. Please keep us in your prayers on the financial aspect as this banquet will be our main fundraiser to keep staff of the Path. We know that the staff is directly proportional to the success of the clients. The more time they spend with the problems of the clients and give them love, the more success they have. If you would like a last minute table, please call me and we may be able to fit you in. The night looks like a very entertaining night and we will probably shed a few tears when we think about the times and people that the Lord has already brought and will bring to our shelter. God will glorify Himself. Amen.
